About Hernö Gin

Hernö Gin is the world's leading and most awarded craft gin producer and started the first gin distillery in Sweden back in 2011.

Hernö Gin is crafting the world's most awarded gins from natural organic botanicals in the hand hammered copper stills Kierstin, Yvonne and Marit. With a mindset of crafting, transparency in all parts of the process and total focus on quality, Hernö Gin intend to bring premium gin culture to every home. Hernö Gin was Swedens fifth most selling spirit distillery 2021.

Awards in selection

Hernö Gin has been awarded World's Best Gin every year since 2015 in the most prestigious international spirits competitions.
